

COMMITTEE CHARTER

COMMITTEE: THRIVING AND HEALTHY COMMUNITY

DATE CHARTERED: 03/09

END OF TERM: 02/10

The primary purpose of the Thriving and Healthy Community Committee will be to:

1. Discuss three items that clearly represent the priorities of the Board:
 - a. Leaky Bucket: what is it and how can we address it?
 - b. Local investment opportunities in co-ops
 - c. The difference between what the co-op *is*, and what the co-op *does* to play a role in a thriving and healthy community
2. Prepare resources and lead conversation about these topics at board meetings.
