

Community Connections Application

How does this program work? You offer City Market/Onion River Co-op Members a discount on goods and/or services. In exchange, City Market advertises your business in rack cards which are displayed at Customer Service at both stores, in wallet cards given out to all new Members and online at www.citymarket.coop/membership/community_connections. Community Connections Partners can display brochures or business cards in a designated area in City Market's entryway. *Please note, in rare instances we are not able to bring on business partners if their product selection too closely mirrors our own.*

Each month, we have a featured Community Connections Partner in which we highlight a business in the store with a drawing for an item donated by that Partner. This raffle is located at Customer Service at both stores which together see an average of 5,000 customers pass by each day. The Partner will have an article in our monthly e-newsletter, *The Onion Skin*, which goes out to over 18,000 subscribers and will be promoted on our website during the month they are featured. This drawing is for Onion River Co-op Members only. We will also have an additional monthly raffle for City Market employees in which employee Members can enter a drawing in the staff break room at either store for a prize.

Simply fill out the fields below and indicate the discount you would like to give to Members and employee Members! (Ongoing discount or special preferred.)
