Please describe how this mission relates to City Market’s Global Ends (see our Donations Policy for reference):

Please describe 2-3 current projects or programs connected to our Global Ends that Rally for Change funding could be used to support if your organization is chosen to participate.

What is a dream project or goal of your organization that may not currently be active, but Rally funding could potentially help support?

Please note that submission of an application is not a guarantee of placement in the program. In addition, we are anticipating high interest in this program, and subsequently a long waiting list after applications close, so it may be quite a wait before you hear from us on an actual month if your application is accepted.
