Relevant Experience

Analyst, Natural Resource and Environment Team, Government Accountability Office

August 2021-Present

- Conducted site visits to two nuclear power plants, interviewing Nuclear Regulatory Commission officials, plant operators, and industry experts to assess climate risks, analyze vulnerabilities, and recommend strategies for resilience ([GAO-24-106937](#)).
- Collected geospatial climate projection data and led the analysis to evaluate the exposure of federal infrastructure to natural hazards, including flooding, sea level rise, and wildfire, supporting data-driven recommendations ([GAO-24-106937](#)).
- Led interviews with rural water and wastewater utility operators, elected representatives, NGOs, tribal leaders, and community members in rural communities across AL, NM, and WV to evaluate barriers to accessing water and wastewater infrastructure funding and identify practical solutions (*GAO Rural Water Infrastructure Engagement*).
- Designed and implemented the municipal solid waste component of GAO's Resource Savings and Resilience Strategy—the first sustainability and resilience plan by a federal agency.
- Co-designed and led a GAO-wide DEIA program to increase staff awareness of identities across the agency and foster inclusion.

Food Rescue Research Consultant, Toba Capital, Newport Beach, CA

May 2020 - December 2020

- Created a research design to identify state and federal legislation that increase food donations
- Led collaboration between the EPA, Feeding America, Sustainable America, Wyoming Food Hunger Taskforce, and Food Rescue Alliance to distribute and act on findings on legislation to increase food donation.

Field Researcher, Cornell Atkinson Center for Sustainability, Ithaca, NY

May 2020 - October 2020

- Produced a case study for [this published report](#) on equity challenges to floodplain management and flood buyout programs during the age of climate change.
- Liaise between officials at the Nature Conservancy and the state of Texas to determine the accuracy of current floodplain map for Austin, TX.

Program Coordinator, Teton Literacy Center, Jackson, WY

October 2018-October 2019

- Engage stakeholders across the public, private, and nonprofit sector in Teton County, WY to create programs with a focus on language, health, and social services for the Latino community.

Youth Development Coordinator, Peace Corps Costa Rica (CR)

June 2017 - September 2018

- Completed a community needs assessment with 400+ participants to guide a two-year work plan.
- Collaborate with educational systems, health providers, economic development organizations, and NGOs to create programs for rural communities on topics including economic development for women-owned economies, reproductive health, gender equity, and sexual education.
